1. Prep ingredients

Thinly slice **scallions**, keeping dark greens separate. Carefully peel apart **rice cakes**.

In a small bowl, stir to combine **gochujang**, **tamari**, **half of the fried onions**, **2 tablespoons water**, **½ teaspoon sugar**, and **¼ teaspoon vinegar**.

2. Cook pork & rice cakes

Heat **1 tablespoon oil** in a medium nonstick skillet over medium-high. Add **pork** and cook, breaking up into smaller pieces, until browned and cooked through, about 5 minutes. Use a slotted spoon to transfer pork to a plate.

Add **rice cakes** to skillet; cook, stirring occasionally, until lightly browned in spots, 2–3 minutes.

3. Cook cabbage

To skillet with **rice cakes**, stir in **scallion whites and light greens**. Cook until fragrant, about 1 minute. Add **cabbage blend**; stir to combine. Add **¼ cup water**; cover and reduce heat to medium. Cook until cakes are chewy-tender and cabbage is bright green and tender-crisp, about 3 minutes (if water evaporates too quickly, add 2 tablespoons water, cover, and cook 1 minute more).

4. Finish & serve

Add **gochujang mixture** and **pork** to skillet. Cook, stirring frequently, until **sauce** reduces and glazes, 1–2 minutes. If **rice cakes** are stuck together, gently pull apart. Season to taste **salt**.

Serve **pork and rice cake stir-fry** with **sesame seeds** and **dark scallion greens** sprinkled over top. Enjoy!
