1. QUINOA VARIATION

Heat **2 teaspoons oil** in a small saucepan over medium-high. Add **quinoa** and **shredded coconut**; cook, stirring, until lightly toasted and fragrant, about 1 minute. Add **¾ cup water** and **½ teaspoon salt**. Bring to a boil. Cover, reduce heat to medium-low, and cook until tender and water is absorbed, 15–20 minutes. Keep covered off heat until ready to serve.

2. Prep ingredients

Cut **lettuce** crosswise into ¼-inch wide ribbons, discarding end. Trim ends from **scallions**, then thinly slice. Finely chop **2 teaspoons garlic**.

3. Prep sauce

In a medium bowl, stir to combine **sweet chili sauce**, **3 tablespoons vinegar**, **¼ cup of the scallions**, and **1 teaspoon of the chopped garlic**; season with **salt** and **pepper**.

4. Cook beef

Heat **2 teaspoons oil** in a medium skillet over high until shimmering. Add **beef** and **remaining chopped garlic**; cook, breaking up meat into smaller pieces, until browned and cooked through, about 3 minutes. Stir in **sauce** and cook until bubbly and slightly thickened, 1–2 minutes; season to taste with **salt** and **pepper**.

5. Finish & serve

Fluff **quinoa** with a fork.

Serve **shredded lettuce** topped with **coconut quinoa** and **Thai beef**. Sprinkle **remaining scallions** over top. Enjoy!

6. Take it to the next level

Add some crunchy pickled veggies, like shredded carrots and radishes! Thinly slice veggies into rounds. In a large bowl, whisk to combine 2 tablespoons vinegar, ¼ cup oil, and a generous pinch each salt, pepper, and sugar. Add veggies, tossing to coat. Set aside while you cook through the recipe or make in advance to pickle overnight.
