1. Prep ingredients

Cut **half of the cucumber** into thin matchsticks (save rest for own use). Thinly slice **radish**. Trim **scallions**; finely chop whites and light greens, and thinly slice dark greens on an angle.

Finely chop **1 large garlic clove**. Peel **ginger** if desired and finely grate 2 teaspoons. Carefully peel apart **rice cakes** (use a knife to cut into individual pieces, if necessary).

4. Simmer sauce

Add **1 cup water** to skillet; bring to a boil. Lower heat to medium-low and simmer, stirring occasionally, until **sauce** is very thick, glossy, and leaves a trail when drawn through with a spoon, 8-10 minutes.

2. Mix sauce; cook pork

In a small bowl, whisk **miso, hoisin, tamari**, and **mirin** until smooth.

In a medium nonstick skillet, heat **2 tablespoons neutral oil** over medium-high. Add **pork**; cook, breaking up meat into small pieces, until no longer pink, liquid has evaporated, and oil just begins to sizzle, 2-3 minutes. Add **scallion whites, garlic, and ginger**; cook until fragrant, about 1 minute.

5. Cook rice cakes

Add **rice cakes** and **¼ cup water** to skillet; stir until evenly coated. Cover and cook over high heat until rice cakes are tender, 2-3 minutes. Remove from heat and stir in **1½ teaspoons sesame oil**.

3. Fry sauce

Add **sauce mixture** to skillet with **pork**. Cook over medium-high heat, stirring constantly, until sauce begins to sizzle and fry. Continue cooking, stirring often, until **sauce** thickens into a paste and darkens to a deep brown, 4-5 minutes.

6. Finish & serve

Divide **rice cakes** between bowls. Top with **cucumber, radish, and scallion greens**. Enjoy!
