1. Prep ingredients

Halve **onion**, then thinly slice. Trim stem ends from **mushrooms**, then thinly slice caps. Halve **peppers**, discard stems and seeds, then slice into ¼-inch strips. Add **tomatoes** to slow cooker and crush using the back of a spoon or your hands.

In a measuring cup, whisk to combine **all of the broth concentrate, cornstarch, 1½ teaspoons salt, ½ teaspoon sugar, and ¾ cups water**.

4. Mash potatoes

Return **potatoes** to medium heat. Add **¼ cup butter**; mash with a potato masher or fork. Stir in **1 tablespoon reserved cooking water** at a time to reach desired consistency. Season to taste with **salt and pepper**.

2. Cook cacciatore

To the slow cooker, add **chicken, mushrooms, peppers, onions, broth mixture, half of the Tuscan spice blend, and a few cracks of black pepper**. Stir to combine.

Cook **cacciatore** on high until chicken is tender and cacciatore is stewy, 6 hours.

5. Add capers

Stir **capers (and any brine)** into **chicken cacciatore**. Season to taste with **salt and pepper**.

3. Cook potatoes

When the **cacciatore** has 45 minutes left cooking, peel **potatoes** (or scrub skins clean); cut into 1-inch pieces. Add to a medium pot with **1 teaspoon salt** and enough **water** to cover by 1 inch. Bring to a boil over high heat. Cook until easily pierced with a fork, about 10 minutes. Reserve **½ cup cooking water**; drain and return potatoes to pot off heat.

6. Serve

Serve **chicken cacciatore** over **mashed potatoes**. Sprinkle with **some of the remaining Tuscan spice**. Enjoy!
