1. Prep ingredients

Bring a medium saucepan of **salted water** to a boil.

Halve and thinly slice **onion**. Cut **bacon** into ½-inch pieces. Trim **scallions**, then thinly slice.

2. Cook bacon

Place **bacon** in a medium skillet. Cook over medium-high heat, stirring occasionally, until browned and crisp, 5–6 minutes. Using a slotted spoon, transfer bacon to a paper towel-lined plate. Drain **all but 2 tablespoons bacon fat** from skillet.

3. Caramelize onions

Heat skillet with **bacon fat** over medium-high. Add **sliced onions**, ½ **teaspoon sugar**, 1 **teaspoon vinegar**, and a **pinch each of salt and pepper**. Cook, stirring often, until onions are well browned, 12–15 minutes (if skillet gets dry, add 1 **tablespoon water** at a time, as needed, to scrape up browned bits). Transfer onions to plate with **bacon**. Wipe out skillet.

4. Cook gnocchi

Meanwhile, add **gnocchi** to saucepan with boiling **salted water**. Cook, stirring gently, until tender and most gnocchi float to the top, 2–3 minutes. Reserve ¾ **cup cooking water**, then drain gnocchi.

5. Finish sauce & serve

Heat same skillet over medium-high; add **reserved cooking water** and **mascarpone**, whisking until smooth. Carefully fold in **gnocchi**, then bring to a simmer and cook, stirring, until **sauce** is thickened, about 2 minutes.

Serve **loaded baked potato gnocchi** topped with **bacon**, **caramelized onions**, and **scallions**. Enjoy!

6. Add some green!

Nothing like a peppery arugula salad studded with grape tomatoes, Parmesan, and balsamic to make the perfect complement to this decadent dish.
