1. Cook rice

Bring a large saucepan of **salted water** to a boil over high heat. Add **rice** and cook (like pasta!), stirring occasionally, until just tender, about 10 minutes. Drain in a fine-mesh sieve, rinse with cold water, and drain well again.

Spread out rice on a paper towel-lined plate or baking sheet to dry and cool.

2. Prep ingredients

While **rice** cooks, finely chop **half of the onion** (save rest for own use). Cut **carrot** into ¼-inch pieces.

In a small bowl, whisk to combine ¼ **teaspoon granulated garlic**, **stir-fry sauce**, **2 tablespoons water**, **2 teaspoons vinegar**, and **a pinch of sugar**; set aside until step 5.

Pat **steak** dry and thinly slice; season with **salt** and **pepper**.

3. Fry eggs

Heat **1 tablespoon oil** in a medium nonstick skillet over high until shimmering. Crack **2 large eggs** into skillet; cook until whites are golden-brown and set and yolks are still runny, 2–3 minutes. Transfer to a plate and set aside until step 5; wipe out skillet.

Heat **1 tablespoon oil** in same skillet over medium-high.

4. Cook veggies & beef

To same skillet, add **onions** and **carrots**; cook, stirring occasionally, until carrots soften and onions are browned in spots, 4–5 minutes. Transfer to a plate.

Add **beef** to skillet; cook, without stirring, until well browned on the bottom, 2–3 minutes. Stir and continue to cook until just cooked through, about 2 minutes more.

5. Finish & serve

Transfer **beef** to plate with **veggies**. Heat **2 tablespoons oil** over high in same skillet; add **rice**, **peas**, and **sauce mixture**. Cook, pressing down with a spatula and tossing occasionally, until warmed through, 2–3 minutes. Return beef and veggies to skillet. Cook, stirring, until combined, 1 minute.

Serve **beef fried rice** topped with **fried eggs**. Enjoy!

6. Cook rice like pasta!

This no-fuss method of boiling rice eliminates common issues with adding too much water (mushy rice), or too little water (crunchy rice). Fill a pot with an unmeasured amount of water, boil it, add the rice, and cook until done (you can taste a few grains to test doneness). Then drain through a sieve, just like pasta!
