1. Cook sweet potatoes

Preheat oven to 375°F with a rack in the center. Lightly grease an 8x8-inch baking dish.

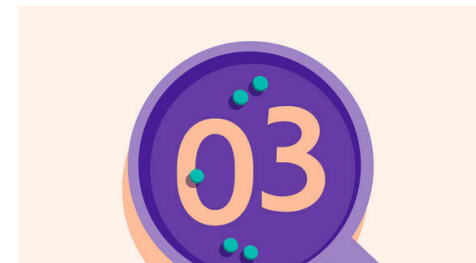

Peel **sweet potatoes**, then cut into 1-inch pieces. Place in a large saucepan with enough **salted water** to cover by 1 inch. Cover, bring to a boil, then uncover and cook until tender, 13–15 minutes. Drain and return sweet potatoes to saucepan off heat.

2. Mash sweet potatoes

To saucepan with **sweet potatoes**, add **cream cheese**, ¼ cup **brown sugar**, 2 **teaspoons warm spice**, ½ cup **milk**, 3 **tablespoons butter**, 1 **teaspoon each of vanilla and salt**, and a **pinch of pepper**. Mash with a potato masher or fork until smooth.

Separate 1 **large egg** and reserve white in a medium bowl. Stir **yolk** and a **second whole large egg** into **mashed sweet potatoes**.

3. Make pecan mixture

Transfer **mashed sweet potatoes** to prepared baking dish; evenly smooth surface with a spatula.

Whisk **reserved egg white** until frothy and opaque, 1 minute. Mix in **pecans**, 1 ½ **tablespoons brown sugar**, **remaining warm spice**, and ½ **teaspoon salt** until evenly incorporated.

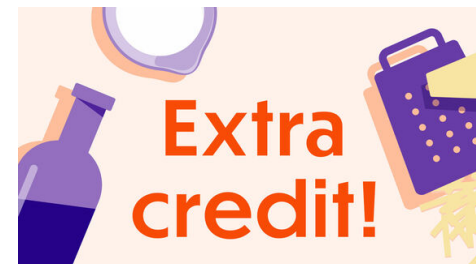

4. Bake casserole

Evenly sprinkle **marshmallows** and **pecan mixture** over top of **sweet potatoes**. Bake on center oven rack until pecans are toasted and crisp, and marshmallows are golden-brown, 20–25 minutes.

5. Serve

Serve **sweet potato casserole** alongside any other main course. Enjoy!

6. Use maple syrup!

Substitute sugar in step 2 for maple syrup for a caramely and nutty flavor.
