1. Prep eggs

Preheat oven to 425°F with a rack in the center.

In a medium bowl, whisk together **2 large eggs**, **1 tablespoon milk or water**, and a pinch each of salt and pepper.

2. Make biscuits

In a medium bowl, combine **all of the biscuit mix** and **¼ cup cold tap water**. Use a spatula to mix until just combined (don't over mix).

On a parchment-lined rimmed baking sheet, drop **dough** in 2 (3-inch wide, 1½-inch tall) rounds. Brush tops with **1 tablespoon melted butter**. Bake on center oven rack until puffed up and golden-brown, 15–17 minutes.

3. Cook bacon

Meanwhile, place **bacon** in a medium nonstick skillet. Cook over medium heat, flipping halfway, until golden-brown and crisp on both sides, 6–8 minutes. Transfer to a paper towel-lined plate. Reserve **2 teaspoons bacon fat** in skillet.

4. Make eggs

In same skillet, heat **reserved bacon fat** over medium. Add **eggs**; swirl and cook until set, 1–2 minutes.

Remove from heat and sprinkle **cheese** down the middle; fold edges over cheese and let melt. Cut **omelet** in half.

5. Assemble & serve

Cut **biscuits** in half through the center. Top with **cheese omelet**, **bacon**, and a **drizzle of Buffalo sauce**. Enjoy!
