1. Cook potatoes

Preheat oven to 450°F with a rack in the upper third.

Scrub **potatoes**, then cut into 1-inch pieces. Place in a medium saucepan with enough **salted water** to cover by 1 inch. Cover and bring to a boil, then uncover and cook until tender, about 10 minutes. Reserve **¼ cup cooking water**, then drain potatoes and return to saucepan. Cover and set aside until step 4.

4. Smash potatoes

Meanwhile, return saucepan with **potatoes** to medium heat. Cook, stirring frequently, until pale, dry, and breaking apart, 1-2 minutes. Off heat, add **all of the sour cream, reserved cooking water**, and **2 tablespoons butter**.

Use a spoon or fork to coarsely smash potatoes. Season to taste with **salt** and **pepper**. Cover to keep warm until ready to serve.

2. Prep ingredients

Finely chop **2 teaspoons garlic**. Cut **broccoli** into 1-inch florets, if necessary. In a medium ovenproof skillet (preferably cast-iron), toss broccoli with **1 tablespoon oil** and **a pinch each of salt and pepper**.

In a medium bowl, knead to combine **beef, panko, 1 tablespoon Worcestershire sauce, 1 teaspoon garlic, 1 large egg, ½ teaspoon salt** and **a few grinds of pepper**.

3. Bake meatloaf & broccoli

Divide **meatloaf mixture** and shape into 2 (5-inch long) ovals. Place in skillet with **broccoli**.

Bake on upper oven rack until meatloaves are cooked to 165°F internally, and broccoli are well browned, about 20 minutes (watch closely as ovens vary).

Transfer meatloaves and broccoli to a platter and cover to keep warm. Reserve skillet until step 5.

5. Make gravy

Add **remaining garlic** and **2 teaspoons each of flour and oil** to reserved skillet over medium-high. Cook, whisking, until fragrant, about 30 seconds. Str in **broth concentrate** and **½ cup water**; bring to a simmer. Cook, scraping up any browned bits from the bottom, until gravy is thickened and coats the back of a spoon, 2-3 minutes.

6. Serve

Serve **meatloaves** with **sour cream smashed potatoes** and **broccoli** alongside. Spoon **gravy** over top. Enjoy!
