## Seared Steak & Garlic Butter

with Oven-Fried Brussels Sprouts

30-40min

2 Servings

We've taken meaty sirloin steaks and made them even more irresistible with garlic butter. But you might be surprised to find that the vegetables steal their thunder! The Brussels sprouts and onions are breaded then "fried" in the oven until crispy and delectable. Note that the vegetables won't be completely coated in the Parmesan-panko, but make sure to sprinkle any that remains over the veggies to use it all up!

### 1. Prep ingredients

Preheat oven to 425°F with a rack in the center. Place **2 tablespoons butter** in a small bowl to soften. Lightly **oil** a rimmed baking sheet.

Finely grate **Parmesan**. Trim and discard ends from **Brussels sprouts**, then cut in half. Halve and slice **all of the onion** into ½-inch thick wedges through the core.

### 4. Roast vegetables

Drizzle **Brussels sprouts** and **onions** with **1 tablespoon oil**. Roast on center oven rack until tender and golden brown, stirring halfway through, 20-25 minutes total.

### 2. Prepare breading

Beat **1 large egg** with **2 tablespoons oil** in a medium bowl; season with **salt** and **pepper**.

Place **panko** in a separate medium bowl and toss with **Parmesan**, **½ teaspoon salt**, and **a few grinds of pepper**.

### 5. Cook beef tenderloin

Pat **beef tenderloin** dry and season all over with **salt** and **pepper**. Heat **2 teaspoons oil** in a medium skillet over medium-high. Add beef and cook until lightly charred and medium-rare, 2-3 minutes per side (or longer for desired doneness). Transfer to a plate to rest.

### 3. Bread vegetables

Coat **Brussels sprouts** in **egg** then lift, letting excess egg drip back into the bowl. Place in bowl with **panko**; toss to coat. Transfer to the prepared baking sheet. Repeat the same breading process with **onions** and transfer to the baking sheet. (It's OK if vegetables aren't fully coated)

Sprinkle **any remaining panko breading** over the veggies.

### 6. Finish & serve

To bowl with **softened butter**, add **¼ teaspoon each of granulated garlic and ground pepper**; mash with a fork.

Serve **beef tenderloin** dolloped with **garlic butter** with **oven-fried Brussels sprouts and onions** alongside. Enjoy!
