1. Cook potatoes

Preheat oven to 425°F with a rack in the center. Peel **potato**, then cut into 1-inch pieces. Place in a medium saucepan, along with **1 teaspoon salt** and enough water to cover by 1 inch. Cover and bring to a boil over high, then uncover and cook until easily pierced with a fork, about 10 minutes. Reserve **½ cup cooking water**, then drain and return potatoes to saucepan. Cover to keep warm.

4. Mash potatoes

Heat saucepan with **potatoes** over medium. Add **2 tablespoons butter** and **¼ cup of the reserved cooking water**. Mash using a potato masher or fork, adding **1 tablespoon of reserved water** at a time, as needed, to reach desired consistency. Season with **salt** and **pepper**; cover to keep warm off heat. In a liquid measuring cup, stir to combine **broth concentrate** and **1 cup water**.

2. Make herb rub & prep pork

Trim **green beans**. Finely grate **¾ teaspoon garlic**. In a small bowl, combine **2 teaspoons of the pizza spice**, **½ teaspoon of the grated garlic**, and **1½ tablespoons oil**; season with **salt** and **pepper**. Pat **pork** dry, then cover all over with **herb rub**; place on a rimmed baking sheet.

5. Make gravy & serve

Melt **1 tablespoon butter** in a small skillet over medium. Add **1 tablespoon flour** and **remaining grated garlic**; cook, whisking, until golden, 1–2 minutes. Add **broth**; bring to boil. Cook until **gravy** thickens, 3–5 minutes; season with **salt** and **pepper**. Thinly slice **herbed pork**. Serve with **mashed potatoes** and **green beans** alongside. Spoon **gravy** over top. Enjoy!

3. Roast pork & green beans

Roast **pork** on center oven rack until browned underneath, 6–7 minutes. Flip **pork**; push to one side of baking sheet and add **green beans** to other side, tossing with **1 tablespoon oil**, and a **pinch each of salt and pepper**. Roast until pork reaches an internal temperature of 145°F and green beans are browned in spots and tender, 9–11 minutes. Let pork rest, covered, for 5 minutes.

6. Mix things up!

We are suckers for some charred veggies, but it's hard to beat the crunch of fresh green beans. Try steaming your green beans instead of roasting, for a vibrant green crunch.
