1. Cook rice

Rinse **rice** in a fine-mesh sieve until water runs clear. Transfer to a small saucepan with **1¼ cups water** and **½ teaspoon salt**; bring to a boil. Cover and cook over low heat until water is absorbed and rice is tender, about 17 minutes. Keep covered off heat until ready to serve.

2. Prep ingredients

While **rice** cooks, finely chop **1 tablespoon ginger** and **1 teaspoon garlic**. Combine on cutting board and chop together until very fine.

Trim **green beans**.

3. Prep pork & cook beans

In a medium bowl, combine **pork**, **chopped ginger and garlic**, and **½ teaspoon salt**. Shape into **12 (1-inch) meatballs**.

Heat **1 tablespoon oil** in a medium skillet over medium-high. Add **green beans** and cook until browned in spots and crisp-tender, 5–6 minutes. Transfer to a plate.

4. Cook pork & start sauce

Heat **1 tablespoon oil** in same skillet over medium-high. Add **pork**; cook until browned and crisp all over, 5–6 minutes. Transfer to plate with **green beans**. Pour off any fat from skillet.

Add **¼ cup sugar** and **2 tablespoons water** to skillet; cook, without stirring, over medium heat until melted. Simmer, swirling pan, until **caramel** is honey-colored, 3–4 minutes (watch closely).

5. Finish & serve

To same skillet, add **stir-fry sauce**, **1 packet sriracha** (or less depending on heat preference), and **1½ teaspoons vinegar**, swirling to combine. Return **pork and green beans** to skillet; cook until **sauce** is thickened and coats pork, 2–3 minutes. Fluff **rice**.

Serve **rice** topped with **caramel pork meatballs and green beans**. Drizzle with **remaining sriracha**, if desired. Enjoy!

6. Make it ahead!

Mix the garlic, ginger, and pork ahead of time and form into meatballs. Keep them in an airtight container in the fridge until you're ready to cook. You can also trim the green beans ahead.
