1. Boil rice

Preheat oven to 450°F with a rack in the center. Fill a medium saucepan with **salted water** and bring to a boil over high heat. Add **rice** and boil (like pasta), stirring occasionally, until just tender, about 12 minutes. Drain rice in a fine-mesh sieve, rinse with cold water, and drain well again.

2. Prep ingredients

Finely chop **2 teaspoons garlic**. Trim **scallions**, then thinly slice. Trim ends from **green beans**, then cut into 1-inch pieces.

3. Make meatballs

In a medium bowl, combine **ground beef**, **¼ cup panko**, **1 large lightly beaten egg**, **2 tablespoons of the scallions**, **1 teaspoon each of the chopped garlic and salt**, and **a few grinds of pepper**. Lightly oil a rimmed baking sheet. Shape beef mixture into 8 meatballs (about 2 tablespoons each), transferring to prepared baking sheet as you go.

4. Bake meatballs

Bake **meatballs** on center oven rack until browned and cooked to 160°F internally, 10–12 minutes. Meanwhile, in a medium bowl, whisk to combine **teriyaki sauce** and **2 tablespoons water**. Season to taste with **salt** and **pepper**. Remove meatballs from oven. Using a slotted spoon, transfer cooked meatballs to teriyaki sauce, stirring to coat. Cover to keep warm.

5. Cook fried rice & serve

Heat **1 tablespoon oil** in a large nonstick skillet over high. Add **green beans** and cook until tender, 3–4 minutes. Add **rice**, **remaining scallions and chopped garlic**, and **1 tablespoon oil**. Cook, pressing down to crisp rice, and toss until the rice is warmed through, 3–4 minutes. Season with **salt** and **pepper**. Serve **teriyaki meatballs** over **fried rice**. Enjoy!

6. Make it ahead!

Season and shape your meatballs the night before to speed up prep time. They can be stored in an airtight container in the fridge.
