

Cinnamon Sticky Buns

with Maple Glaze & Walnuts

1,5h

2 Servings

It's hard to say "no" to a sticky cinnamon bun, especially when it features a brown sugar-walnut filling and a maple syrup glaze. We love that these buns are a low-effort, high-reward treat. How? Homemade quick bread dough! It uses a leavening agent rather than yeast and requires no proofing or excessive kneading. Plus, ground cinnamon in the dough gives it a little extra oomph. So go ahead and treat yourself!

1. Prep ingredients

Preheat oven to 425°F with a rack in the center. **Butter** the bottom and sides of an 8-inch round cake pan. In a small bowl, melt **4 tablespoons butter** in microwave. Transfer **walnuts** to a rimmed baking sheet; bake on center oven rack until toasted, 5–8 minutes (watch closely as ovens vary). Let cool slightly, then coarsely chop toasted walnuts.

4. Fill rolls

Transfer **2 tablespoons butter** to same bowl; melt in microwave. Brush **melted butter** over surface of the **dough**, leaving a 1-inch border around the edges. Sprinkle **brown sugar mixture** over top in an even layer. Top with **half of the chopped walnuts** (reserve remaining nuts for step 6).

2. Start dough

Transfer **all but 2 tablespoons of the flour** to a medium bowl. Add **baking powder**, **⅓ cup granulated sugar**, **½ teaspoon salt**, and **¼ teaspoon baking soda**; whisk to combine.

In a second small bowl, stir to combine **brown sugar**, **1½ teaspoons cinnamon**, and **½ teaspoon salt**; set brown sugar mixture aside until step 4.

5. Bake rolls

Starting from one long side, roll **dough** into a log, then cut crosswise into 8 equal pieces. Arrange **rolls**, cut side down, in prepared pan, leaving **¾-1-inch** space between each roll. Bake on center oven rack until deeply golden, 23–25 minutes. Let rolls cool in pan for 15 minutes.

3. Finish dough

To bowl with **flour mixture**, add **yogurt**, **melted butter**, and **6 tablespoons milk**. Use a fork to stir until a shaggy dough forms, then use your hands to gently knead once or twice until it forms a ball. Sprinkle **1 tablespoon of the remaining flour** on counter, then add dough and sprinkle remaining flour on top. Gently pat or roll dough into a 12x9-inch rectangle.

6. Make glaze & serve

Meanwhile, in a small bowl, whisk to combine **all of the maple syrup**, **all but 1 teaspoon of the confectioners' sugar**, **1 teaspoon water**, and **¼ teaspoon salt**. Transfer **buns** to a serving plate, if desired. Drizzle **glaze** over top and sprinkle with **reserved chopped walnuts**. Dust with **remaining confectioners' sugar** before serving, if desired. Enjoy!
