

Overnight Waffles, Berry Syrup & Chantilly:

Perfect Mother's Day Brunch!

5h

2 Servings

Homemade waffles make every brunch a celebration! This buttery, yeasted batter proofs overnight in the refrigerator, resulting in a flavorful, fluffy waffle with crisp edges. Bright berry syrup balances the rich chantilly, a lemon-scented whipped topping that rests on the waffles like clouds. Toasted walnuts add the final touch—and the best part is everything can be made in advance! (2p serves 4; 4p serves 8)

1. Start batter

Cut **½ cup butter** into ½-inch pieces. In a small saucepan, heat butter and **¾ cup each evaporated milk and water** over medium-low until butter is melted, 3-5 minutes. Cool milk/butter mixture until warm to touch.

In a large bowl, whisk together **flour, 1 tablespoon sugar, 2 teaspoons yeast, 1 teaspoon salt**, and **¼ teaspoon baking soda**.

4. Make berry syrup

In a small saucepan, combine **freeze-dried strawberries, raspberry powder, 1 cup water, ½ cup sugar**, and **a pinch of salt**. Bring to a boil over medium heat and cook, stirring occasionally, until syrup is lightly thickened, 1-2 minutes. Cool to room temperature. Stir in **2 teaspoons lemon juice**. Reserve **syrup** for step 6.

2. Mix & proof batter

To **warm milk/butter mixture**, whisk in **2 large eggs** and **1 teaspoon vanilla**. Add to **flour mixture**; whisk until batter is smooth. Scrape down sides of bowl with spatula, cover bowl with plastic wrap, and refrigerate 12-24 hours.

5. Whip chantilly

In a medium bowl, using a hand-held electric mixer, beat **mascarpone, lemon zest, remaining lemon juice, ¼ cup evaporated milk, 1 tablespoon sugar**, and **¼ teaspoon vanilla** on high until mixture holds stiff peaks. Keep refrigerated until ready to serve (chantilly can be whipped 24 hours in advance).

3. Toast walnuts

Preheat oven to 400°F with a rack in the center. Spread **walnuts** on a rimmed baking sheet and bake on center rack until lightly golden brown and toasted, 6-8 minutes (watch closely). Cool to room temperature; coarsely chop. Reserve walnuts for step 6.

Finely grate **1 teaspoon lemon zest** into a small bowl and reserve for step 5. Squeeze **1 tablespoon lemon juice** into a separate bowl.

6. Cook waffles

Preheat oven to 200°F. Cook **waffles** according to manufacturer instructions, using ½ cup batter at a time for a 7-inch maker, and 1 cup at a time for a 9-inch maker. Keep cooked waffles warm on a wire rack set over a rimmed baking sheet in the oven.

Serve **waffles** with **berry syrup, chantilly**, and **walnuts**. Enjoy!
