

Vegan Sheet Pan Fajitas

with Crispy Tex-Mex Tofu & Guacamole

20-30min

2 Servings

Crispy, spiced tofu mixes with sizzling fresh veggies in these light, yet filling, fajitas. A homemade spice paste infuses tofu with Tex-Mex flavor before the jagged pieces crisp under the broiler alongside fresh bell peppers and onions. We lay them on toasted flour tortillas with a dollop of guacamole, a sprinkle of cilantro, and a final squeeze of lime for this meat-free crowd-pleaser.

1. Prep veggies & garlic

Preheat broiler with a rack in the upper third.

Halve **onion** and cut into ½-inch thick slices. Halve **pepper**, discard stem and seeds, then cut into ½-inch slices. Finely chop **1 teaspoon garlic**.

4. Broil tofu & veggies

Toss **tofu** with **spice paste** directly on baking sheet; push to one side. On open side of baking sheet, toss **onions** and **peppers** with **1 tablespoon oil** and **a pinch each of salt and pepper**. Broil on the top rack until browned and crisp in spots, 10-12 minutes (watch closely).

2. Prep tofu

Line a rimmed baking sheet with paper towels. Drain **tofu**; crumble over prepared baking sheet (like the texture of ground beef). Press with more paper towels to remove excess liquid. Remove paper towels from baking sheet, leaving pressed tofu.

5. Finish prep

Meanwhile, coarsely chop **cilantro**. Cut **lime** into wedges.

Toast **1 tortilla** at a time over a gas flame until lightly charred in spots, 5-10 seconds per side. (Alternatively, warm in a skillet or wrap in damp paper towels and microwave until warmed through.)

3. Prep spice paste

In a small bowl, stir to combine **Tex-Mex spice**, **chopped garlic**, **half of the tomato paste** (save rest for own use), and **2 tablespoons oil**; season to taste with **salt** and **pepper**.

6. Serve

Serve **tofu** and **veggies** in **warmed tortillas** with **guacamole**, **lime wedges**, and **cilantro**. Enjoy!
