1. Warm tortillas

Heat a medium nonstick skillet over medium-high. Fill a medium bowl with **water**. Quickly dip **tortillas** in water, then toast in skillet until lightly browned in spots and warmed through, 20–30 seconds per side. Wrap in a clean kitchen towel as you go to keep warm until ready to serve.

(Or wrap tortillas in a damp kitchen or paper towel and microwave until warmed through, 1–2 minutes.)

2. Cook plant-based ground

Heat **2 tablespoons oil** in same skillet over high. Add **plant-based ground**; cook, stirring occasionally and breaking up into smaller pieces, until well browned, 3–5 minutes. Stir in **taco seasoning**; cook until fragrant, about 30 seconds. Add **enchilada sauce** and **¼ cup water**. Bring to a boil over high heat, then simmer over medium heat until liquid is reduced by half, 3–5 minutes.

3. Season sour cream & serve

In a small bowl, stir to combine **sour cream** and **1 teaspoon water** at a time until it drizzles from a spoon. Season to taste with **salt** and **pepper**.

Serve **warm tortillas** with **"beef" taco filling** and with **sour cream** and **guacamole** over top. Enjoy!
