#### 1. Prep bean filling

Drain and rinse **beans**.

In a medium microwave-safe baking dish, stir to combine **kale and quinoa blend**, **beans**, and **taco seasoning**. Microwave on high until hot, stirring halfway through cooking time, about 4 minutes (watch closely as microwaves vary); season to taste with **salt**.

#### 2. Prep crema & tortillas

In a small bowl, thin **sour cream** with 1 **teaspoon water** at a time until it drizzles from a spoon; season with **salt**.

Heat a medium nonstick skillet over medium-high. Add one **tortilla** at a time until lightly golden, about 30 seconds per side (or wrap in a damp paper towel and microwave in 30-second intervals until warmed through). Wrap in a kitchen towel as you go to keep warm.

#### 3. Assemble & serve

Spoon **filling** into **tortillas**.

Serve **kale, quinoa, and black bean tacos** with a drizzle of **crema** and **salsa** spooned over top. Enjoy!
