1. Prep ingredients

Preheat air fryer to 275°F. Line with parchment paper.

In a small bowl, stir to combine **brown sugar, 1 teaspoon cinnamon, and a pinch of salt.**

2. Prep dough

Unroll **dough** and fold in half, pinching together any seams that separated. If dough is sticky, light dust surface with **flour**. Roll into a 10x8-inch rectangle.

3. Assemble cinnamon rolls

Brush **1 tablespoon melted butter** over **dough**. Sprinkle with **brown sugar mixture**, leaving a ½-inch border along one of the long sides. Starting from the opposite long side, roll into a tight cylinder. Gently pinch edges shut to help dough stay together. Cut into 8 rolls.

4. Air fry rolls

Working in batches if necessary, arrange **rolls** in air fryer basket so they just touch one another. Cook until tops are golden brown, 25–30 minutes. Let cool.

5. Make frosting & serve

In a medium bowl, whisk to combine **all of the cream cheese, confectioners' sugar, 2 tablespoons softened butter, a pinch of salt, and ½ teaspoon vanilla extract** (optional).

Frost cooled **cinnamon rolls** and serve. Enjoy!

6. No air fryer? No problem!
