Creamy Vegan Pasta with Kale, Pine Nuts & Tahini

20-30min

2 Servings

How can a pasta dish so creamy and satisfying also be vegan? It's all in the ingredients, baby. The sauce's flavor is deepened by tahini, brightened by lemon, and made deceptively cheesy with nutritional yeast, often used in vegan dishes for its umami powers. Toss in kale, pine nuts, and perfectly al dente pasta for a hearty meal you can feel good about. We've got you covered!
