1. Prep fresh tomato sauce

Bring a large saucepan of **salted water** to a boil. Cover and keep warm over low. Finely chop **about $\frac{1}{4}$ cup shallot**. Core and finely chop **tomatoes**. In a small bowl, combine tomatoes, 1 teaspoon of the chopped shallots, **1 tablespoon oil**, and **a generous pinch each of salt and pepper**. Let sit until step 6.

2. Make croutons

Finely grate **Parmesan**, if necessary. Cut **roll** into very small cubes. Heat **1 tablespoon oil** in a medium skillet over medium-high. Add **bread cubes** and cook, stirring occasionally, until golden and crisp, 3-4 minutes. Transfer to a plate. Wipe out skillet and reserve for step 4.

3. Cook tortelloni

Return water to a boil and add **tortelloni**. Cook, stirring gently, until al dente, 3-4 minutes. Reserve **$\frac{1}{3}$ cup cooking water**, then drain tortelloni.

4. Wilt spinach

Meanwhile, heat **1 teaspoon oil** in reserved skillet over medium-high. Add **remaining chopped shallots** and cook, stirring occasionally, until golden, about 1 minute. Add **spinach** in large handfuls as it wilts. Toss until all is wilted, about 1 minute. Season to taste with **salt and pepper**.

5. Make creamed spinach

Off the heat, add **cream cheese** and **$\frac{1}{4}$ cup of the cooking water** to **spinach**. Cook over medium-low heat, stirring to melt completely. Stir in **$\frac{2}{3}$ of the Parmesan** in large pinches to avoid clumping, and season generously with **pepper**.

6. Finish tortelloni & serve

Add **tortelloni** and **1-2 tablespoons of the cooking water** to **creamed spinach**; cook over medium-low heat, turning to coat with **sauce**, until heated through, about 1 minute. Serve **tortelloni and spinach** topped with **fresh tomato sauce, croutons**, and **remaining Parmesan**. Enjoy!
