1. Boil lentils

Preheat oven to 450°F with racks in the upper and lower thirds.

In a medium saucepan, combine **lentils**, **3 cups water**, and **1 teaspoon salt**. Cover and bring to a boil over high heat. Uncover and reduce heat to medium; simmer until lentils are tender and starting to break apart, 18–20 minutes. Drain and return to saucepan off heat.

2. Boil potatoes

While **lentils** cook, peel **potatoes**, then cut into 1-inch pieces. Place in a second medium saucepan with enough **salted water** to cover by 1 inch. Cover and bring to a boil over high heat. Uncover and cook until easily pierced with a fork, 10–12 minutes. Drain and return potatoes to saucepan off heat. Cover to keep warm until step 5.

3. Make meatloaf mixture

Finely chop **onion**.

Heat **2 teaspoons oil** in a small skillet over medium-high. Add **onions** and **steak seasoning**; cook, stirring, until softened, 5–8 minutes.

Transfer to saucepan with **lentils**; add **oats**, **mayonnaise**, **1 large egg**, **½ teaspoon salt**, and **a few grinds of pepper**; stir well to combine, mashing some of the lentils with a fork or back of a spoon.

4. Cook meatloaf & beans

Transfer **lentil mixture** to an **oiled** baking sheet. Form into 2 (1½-inch thick) loaves. Spread **1 tablespoon ketchup** over each. Bake on upper rack until browned around edges, 15–20 minutes.

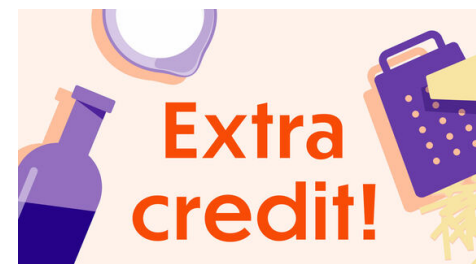

Trim ends from **green beans**. Toss on a second rimmed baking sheet with **1 teaspoon oil**; season with **salt** and **pepper**. Roast on lower rack until tender and browned in spots, 8–10 minutes.

5. Mash potatoes & serve

Reheat **potatoes** over medium heat, if necessary. Add **2 tablespoons butter** and **¼ cup milk**; mash with a potato masher or fork. Season to taste with **salt** and **pepper**. Let **meatloaves** rest on sheet pan for 5 minutes before slicing.

Serve **lentil "meat" loaves** with **mashed potatoes** and **green beans** alongside. Enjoy!

6. Make ahead!

Prep the loaves the day before! Mix and shape the loaves, then wrap in plastic wrap or store in an airtight container in the refrigerator. Allow them to come to room temperature before baking.
