Snickerdoodle Sandwich Cookies

with Homemade Dulce de Leche

 4h  2 Servings

We've found a way to make snickerdoodles even more delicious! Here we take buttery cookie dough and roll it in a sugary mixture with cinnamon and Chinese five-spice; it adds an aromatic hint of star anise and clove. We sandwich the cookies with homemade dulce de leche filling for a festive twist. These decadent cookies are the perfect way to impress your friends and family this holiday season! 1. Make dulce de leche

Remove label from can of **condensed milk**. Place unopened can its side in a large pot; cover can by at least 2-inches of water. Bring water to a boil. Cover and reduce heat to medium-low; simmer gently for 3 hours. Check pot every 30 minutes to ensure water level stays above can; add boiling water as needed to keep can covered. Carefully remove can from pot and cool to room temperature.

4. Roll cookies

In a shallow dish, combine **remaining sugar** and **½ teaspoon each of cinnamon and Chinese five spice**; set spiced sugar aside until step 5.

Working with **2 teaspoons cookie dough** at a time, roll into 48 balls. Place 16 balls on each parchment-line baking sheet, keeping each ball 2-inches apart. Refrigerate remaining balls until ready to bake.

2. Combine dry ingredients

Preheat oven to 350°F with racks in the center and upper third. Line 2 rimmed baking sheets with parchment paper.

In a medium bowl, whisk to combine **flour, 1 tablespoon buttermilk powder, 1 teaspoon baking soda, ¼ teaspoon each of cinnamon and Chinese five spice, and ½ teaspoon salt**

5. Bake cookies

Bake **cookies** on center and upper oven racks until edges are firm, rotating baking sheets front to back, top to bottom halfway through, 10-13 minutes total. Let cookies cool on baking sheets for 1 minute, then place in **spiced sugar**, and turn to coat evenly. Transfer cookies to wire rack and let cool completely, about 30 minutes. Repeat process with **remaining cookie dough**.

3. Mix cookie dough

Transfer **1 cup softened butter** and **1 cup sugar** to bowl of a stand mixer fitted with a paddle attachment; beat on medium-high speed until pale and fluffy, about 3 minutes. Add **1 large egg** and **1 teaspoon vanilla**; beat until combined, about 15 seconds. Reduce speed to low; add **dry ingredients**, in 3 additions, scraping down sides of the bowl as needed, until just combined.

6. Assemble cookies & serve

Spread **2 teaspoons dulce de leche** on bottoms (flat sides) of 24 cookies. Optionally, sprinkle **⅓ teaspoon coarse salt** on each dulce de leche topped side of cookies, if desired. Top with **remaining cookies** to form sandwiches. Enjoy!
