1. Start pie dough

In a medium bowl, combine **flour**, **¼ cup granulated sugar**, and **½ teaspoon salt**. Cut **¾ cup cold butter** into ½-inch pieces; add to flour and toss to coat. Use your fingers to press **butter** to flatten it and incorporate it into the flour until it is the size of small peas.

2. Finish dough

Sprinkle **½ cup cold water** over **flour-butter mixture**. Stir with a spatula until just combined, then knead with your hands until **dough** forms a shaggy ball. Pat into an 8-inch wide disk (about ¾-inch thick). Wrap in plastic and refrigerate until firm, at least 2 hours (preferably overnight).

3. Start filling

Halve **peaches** and cut into ½-inch pieces, discard pits. Place in medium saucepan with **remaining granulated sugar**, **¾ cup water**, and **1 teaspoon salt**. Simmer over medium-low heat, stirring often, until fruit softens, 25-30 minutes. Use a masher or fork to crush fruit to a coarse pulp. Crush **freeze-dried strawberries** with rolling pin until powdery. Squeeze **4 teaspoons lemon juice**.

4. Finish filling

To saucepan with **peaches**, add **crushed strawberries**, **lemon juice**, **raspberry jam**, and **½ cup water**. Cook, stirring often, until strawberries break down, about 5 minutes more. Let filling cool completely.

Butter a medium (8x8-inch) baking dish. Line with parchment paper; leave a 1-inch overhang on two opposite sides. Beat **1 large egg** with **1 tablespoon water** to make **egg wash**.

5. Assemble pie

Slice off **¾ of the chilled dough**; working on a floured surface, roll to a 13-inch square. Place in parchment-lined baking pan, with dough hanging over sides. Place **filling** in center of dough and spread to an even layer. Trim overhanging dough to about 1-inch from top of filling, fold excess dough over filling. Preheat oven to 400°F with a rack in the center.

6. Bake & serve

Roll **remaining dough** to a 7-inch square; use cookie cutter to create design of choice. Place **dough** on top of **filling**, tucking under folded edge. Chill for 30 minutes.

Brush **egg wash** over pie; sprinkle with **raw sugar**. Bake until top is golden brown, 45-55 minutes. Let cool to the touch in pan. Transfer to cooling rack to cool completely. Enjoy!
