1. Prep salsa

Preheat broiler with a rack in the top position. Halve **tomato** lengthwise. Squeeze **all of the lime juice** into a small bowl.

Add **tomatoes** (cut side up), **whole jalapeño**, and **1 large unpeeled garlic clove** to a rimmed baking sheet. Drizzle tomatoes with **oil**. Broil on top oven rack until charred in spots, 5-10 minutes (watch closely). Let cool until step 4.

4. Assemble quesadillas

Brush one side of each **tortilla** generously with **oil**. Place on same baking sheet, oiled-side down. Spoon **plant-based ground mixture** onto 1 half of each tortilla, then top with **cheese**. Fold to close.

2. Brown plant-based ground

Meanwhile, heat **1 tablespoon oil** in a medium nonstick skillet over medium-high. Crumble **Impossible patties** into skillet. Add **taco seasoning** and **3 tablespoons water**. Cook, stirring occasionally, until water is mostly evaporated and plant-based ground is browned, about 4 minutes. Off heat, stir in **corn** and **6 tablespoons water**.

5. Broil quesadillas & serve

Broil on top oven rack until **cheese** is melted and **tortillas** are golden brown, rotating sheet and carefully flipping halfway through, 2-4 minutes (watch closely as broilers vary). Let rest for 5 minutes, then cut into wedges, if desired.

Serve **quesadillas** with **guacamole** and **salsa**. Enjoy!

3. Make salsa

Coarsely chop **broiled tomatoes**. Peel and finely chop **broiled garlic clove**. Thinly slice **jalapeño** (use less depending on heat preference).

To bowl with **lime juice**, add **tomatoes, jalapeños, garlic**, and **2 tablespoons oil**; toss to combine. Season to taste with **salt**.
