1. Make batter

Preheat oven to 350°F with a rack in the center. Line a cupcake tin with 6–7 cupcake liners.

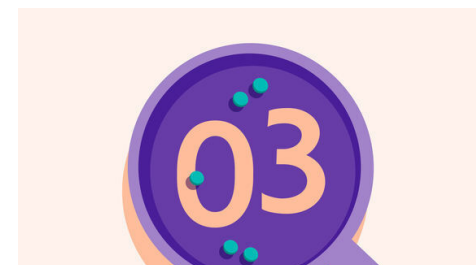

In a large bowl, combine **chocolate cake mix**, **1 large egg**, and **½ cup water**. Using a handheld electric mixer, beat until shiny and no clumps remain, about 2 minutes.

2. Bake cupcakes

Divide **batter** in prepared tin among 6–7 cups (about ⅓ cup each).

Bake on center oven rack until puffed and a toothpick inserted into center comes out clean, 18–20 minutes. Let cool completely.

3. Make frosting

In a large bowl, beat **12 tablespoons room temperature butter** until light and fluffy, 1–3 minutes. Add **confectioners' sugar** and a **pinch of salt**. Beat until sugar is fully combined and **frosting** is light (if frosting is too loose, transfer to fridge for 20 minutes to chill, then beat again). Fold in **half of the marshmallow fluff** until combined.

4. Prep decorations

Transfer **⅔ of the frosting** to a large plastic bag; cut ½-inch off one corner. Transfer remaining frosting to a small plastic bag, cut ⅛-inch off one corner.

Add **red sanding sugar** to a shallow bowl.

5. Frost & serve

Using large plastic bag, pipe a conical mound of **frosting** (like soft-serve ice cream!) in the center of each **cupcake**, leaving a ½-inch border around edges. Carefully cover mound in **red sanding sugar**. Using small plastic bag, pipe frosting around edges and a dollop on top of the mound.

Serve **santa hat cupcakes**. Enjoy!
