### 1. Caramelize onions

Preheat oven to 375°F with a rack in the center.

Halve and thinly slice **onion**. In a small saucepan, melt **2 tablespoons butter** over medium-high heat. Add onions and **a pinch of salt**. Cook, stirring frequently, until softened and translucent, 2–3 minutes.

### 2. Finish onion jam

Lower heat to medium-low and cook **onions**, stirring occasionally, until dark brown and caramelized, 15–20 minutes (if onions get too dark, add 1 tablespoon water and scrape up browned bits from bottom of skillet). Add **half of the tamari** and **1 tablespoon each of sugar, vinegar, and water**. Cook until onions have a jam-like consistency, 2–3 minutes more.

### 3. Prep filling & dough

While **onions** cook, microwave **all of the cream cheese** in a medium microwave-safe bowl, 10 seconds at a time, stirring in between, until softened. Whisk in **all of the sour cream**; set aside.

Remove **crescent roll dough** from can but do not unroll. Slice crosswise into 8 pieces.

### 4. Assemble Danishes

Lightly **flour** a work surface and **dough pieces**; press each piece into a 3-inch round. Use a spoon to press a slight indentation in the center. Transfer dough to a parchment-lined rimmed baking sheet. Brush edges with **1 large egg yolk** and sprinkle with **everything bagel seasoning**. Divide **cream cheese filling** among centers and top with **onion jam**.

### 5. Bake & serve

Bake **Danishes** on center oven rack until golden brown, rotating halfway through cooking time, 15–20 minutes. Transfer to a wire rack and cool to room temperature. Finely chop **chives**.

Serve **everything bagel Danishes** with **chives** sprinkled over top. Enjoy!

### 6. Onion hack!

Add ⅛ teaspoon baking soda with the onions in step 1—baking soda helps break down the onions so they caramelize faster.
