1. Make fries

Preheat oven to 450°F with a rack in the lower third.

Scrub **potatoes**, then cut into ½-inch thick fries. On a rimmed baking sheet, toss potatoes with **2 tablespoons oil**; season with **salt** and **pepper**. Spread in an even layer and roast on lower oven rack until golden and crisp on underside, about 20 minutes.

4. Cook patties

Heat **1 tablespoon oil** in a medium skillet over medium high. Add **Impossible patties**, dimpled side up (see cooking tip), and cook until browned on both sides, 2-3 minutes per side. Drain any excess fat from skillet.

2. Prep ingredients

Meanwhile, thinly slice **tomato** and **mozzarella**, keeping separate. Thinly slice **pepperoncini**, if desired.

In a small bowl, mix to combine **mayo** with **1 tablespoon pesto**.

5. Melt cheese

Top **patties** with **mozzarella**. Reduce heat to medium and add **1 tablespoon water** to skillet; immediately cover. Cook until cheese is melted, 1-2 minutes more.

3. Toast bread

Brush **cut sides of buns** with **remaining pesto** (if buns look dry, drizzle with oil).

Flip **fries** and push to one side of the baking sheet, placing buns on opposite side. Return to oven and cook until fries are well done and bread is toasted, 12-15 minutes more.

6. Serve

Toss **fries** directly on baking sheet with **salt** and **1 tablespoon Tuscan spice blend**. Top **buns** with **tomatoes**, **burger patty**, **pesto mayo**, and **sliced pepperoncini**. Enjoy!
