1. Toast walnuts

Bring a large saucepan of **salted water** to a boil. Finely grate **half of the lemon zest**. Finely grate **Parmesan**, if necessary.

In a large skillet, cook **walnuts** over medium-high heat, stirring frequently, until browned in spots and toasted, 3–5 minutes. Transfer to a cutting board; coarsely chop.

4. Sauce pasta

Remove skillet from heat and stir **1 teaspoon lemon juice** into skillet; season to taste with **salt** and **pepper**.

Add **pasta** to **sauce**; gently stir to coat. Loosen with remaining cooking water if sauce is too thick.

2. Cook pasta

Add **ravioli** to boiling water (if stuck together, gently pull apart only if possible without tearing). Reduce heat and simmer gently, stirring occasionally, until al dente, 3–4 minutes.

Reserve **1 cup cooking water**; drain pasta.

5. Serve

Divide **pasta** and **sauce** between plates. Sprinkle with as much **Parmesan** and **toasted walnuts** as desired over top. Enjoy!

3. Make sauce

In reserved skillet, heat **2 teaspoons oil** over medium-high. Add **spinach** and cook, stirring often, until wilted, 1–2 minutes.

Add **peas, pesto, half of the mascarpone, lemon zest**, and **¼ cup of the cooking water**. Stir over medium-high heat until liquid has cooked into a creamy sauce, 1–2 minutes.
