1. Preheat skillet

Preheat oven to 425°F with a rack in the center. (Keep all other racks either below or more than 6-inches above the center rack. Your Dutch baby needs room to rise!). Place a medium ovenproof skillet (preferably cast-iron) on the center oven rack to preheat until step 3.

2. Make batter

Transfer **mascarpone** to a liquid measuring cup; add enough water to make ¾ cup total; whisk to combine.

In a large bowl, combine mascarpone mixture, **3 large eggs**, **½ cup flour**, **1 teaspoon salt**, and **a few grinds of pepper**; whisk until batter is very smooth and a few bubbles are visible on the surface, about 1 minute.

3. Bake Dutch baby

Carefully remove skillet from oven, then add **2 tablespoons butter**, swirling to melt and making sure butter coats the bottom and sides of skillet. Pour **batter** into skillet and top with **half of the Parmesan**.

Bake on center oven rack until **Dutch baby** is puffed and browned in spots, 18-20 minutes.

4. Prep ingredients

Trim stems from **mushrooms**, then thinly slice caps. Finely chop **1 teaspoon garlic**. Chop **parsley** leaves and stems.

In a small bowl, stir to combine **ricotta**, **1 teaspoon oil**, and **½ teaspoon of the chopped garlic**; season to taste with **salt** and **pepper** and set aside until ready to serve.

5. Cook mushrooms & spinach

Heat **1 tablespoon oil** in a second medium skillet over medium-high. Add **mushrooms** and cook, stirring occasionally, until tender and browned, about 5 minutes. Season with **salt** and **pepper**. Add **spinach**, **half of the parsley**, **remaining chopped garlic**, and **1 tablespoon butter**. Cook until spinach is wilted, 1-2 minutes. Season to taste with **salt** and **pepper**.

6. Finish & serve

Spoon **seasoned ricotta** over warm **Dutch baby**, then top with **mushrooms and spinach**. Garnish with **remaining parsley and Parmesan**. Enjoy!
