Fast! Tofu Sofritas Burrito Bowl

with Roasted Corn & Guacamole

 20-30min  2 Servings

Crispy, Mexican-spiced tofu crumbles known as sofritas are an ideal burrito bowl topping for vegetarians and carnivores alike. We mix tofu crumbles with taco seasoning and broil them until brown and crispy alongside corn and sliced onions. Fresh tomatoes and lettuce add cool, crisp bites over steamy jasmine rice, while shredded cheese and ready-made guacamole finish off this satisfying vegetarian meal.

1. Cook rice

In a small saucepan, combine **rice**, **1¼ cups water**, and **½ teaspoon salt**. Bring to a boil. Cover and cook over low until rice is tender and liquid is absorbed, about 17 minutes. Keep covered until ready to serve.

Halve and thinly slice **all of the onion**.

Preheat broiler with a rack in the top position.

4. Finish tofu & corn

Move the **tofu** over to cover ⅔ of the baking sheet. Add **corn** in an even layer to the empty space. Return to top oven rack and broil until corn is warm and browned in spots, about 2 minutes.

Season **tofu sofritas** to taste with **salt** and **pepper**.

2. Prep tofu

Line a rimmed baking sheet with paper towels. Drain **tofu**; crumble over prepared baking sheet (like the texture of ground beef). Press with more paper towels to remove excess liquid. Remove paper towels from baking sheet, leaving pressed tofu.

To the tofu, add **all of the taco seasoning**, **⅔ of the onions**, **1 tablespoon oil**, and **½ teaspoon salt**; toss to coat.

5. Arrange bowls

Fluff **rice** and divide between serving bowls. Top with **sofritas**, **corn**, **tomatoes**, **lettuce**, **shredded cheese**, and **chopped onions**. Dollop with **guacamole** and garnish with **cilantro leaves**.

3. Broil tofu & prep veggies

Spread **tofu** in an even layer on the baking sheet. Broil on the top rack until browned and starting to crisp, 8-10 minutes (watch closely).

While tofu cooks, halve **tomato** and coarsely chop. Halve **lettuce** lengthwise, then finely shred 1 half crosswise, discarding core (save rest for own use). Pick **cilantro leaves** from stems; discard stems. Finely chop **remaining onions**.

6. Serve

Enjoy!
