

MARLEY SPOON

Bunless Impossible Cheeseburger

with Pearl Couscous Salad

30min

2 Servings

We've elevated the standard burger with sweet caramelized onions and melted cheddar-jack cheese and replaced the bun with a nutritious pearl couscous side salad studded with golden raisins and crunchy toasted pumpkin seeds. Arugula, tossed in at the end, is just hearty enough to stand up to a flavorful Impossible patty.

1. Prep ingredients

Halve and thinly slice **all of the onion** through the root end. Finely chop ¼ cup of the sliced onions. Shape **Impossible patties** into 2 (6-inch) patties (about ½-inch thick), if necessary. Press your thumb in the center of each patty to make an indentation. Bring a medium saucepan of **salted water** to a boil.

4. Make couscous salad

Finely grate **half of the lemon zest** and squeeze **juice from half of the lemon** into a large bowl. Whisk in **2 tablespoons oil** and season with **salt** and **pepper**. Add **cooked couscous, chopped onions, golden raisins, arugula, and pumpkin seeds**; toss to combine. Season to taste with **salt** and **pepper**.

2. Caramelize onions

Heat **1 tablespoon oil** in a large skillet over medium. Add **sliced onions**; cover and cook, stirring occasionally, until softened, about 3 minutes. Uncover, season with **salt**, and cook, stirring frequently, until onions are golden brown, 8-10 minutes more. Transfer to a bowl and cover to keep warm. Wipe out skillet and reserve for step 5.

5. Cook Impossible burgers

Heat **2 teaspoons oil** in reserved skillet over medium-high. Season **patties** all over with **salt** and **pepper**; add to skillet, indentation side up. Cook until browned, about 3 minutes.

3. Cook couscous

Add **couscous** to boiling water and cook until al dente, 5-6 minutes. Drain and rinse under **cold water**.

6. Melt cheese & serve

Flip **burgers**, top with **shredded cheddar-jack cheese**, and cover. Cook until cheese is melted and burgers are heated through, 3-4 minutes (or longer for desired doneness). If cheese isn't fully melted, remove skillet from heat and cover to melt. Serve **burgers** topped with **caramelized onions**, with **couscous salad** alongside. Enjoy!
