1. Prep ingredients

Preheat oven to 400°F with a rack in the center. Finely chop **onion** and **2 teaspoons garlic**. Thinly slice **mushrooms**. Combine **vegetable broth concentrate** with **5 cups hot tap water** and season with **1 teaspoon salt**.

2. Sauté mushrooms

Melt **2 tablespoons butter** in a medium Dutch oven or ovenproof pot over medium-high. Add **mushrooms** and **onions**; season with **salt** and **pepper**. Cook, stirring occasionally, until mushrooms are lightly browned and dry, 6–7 minutes.

3. Start risotto

In same pot, add **chopped garlic** and **rice** and continue to cook, stirring, over medium-high until garlic is fragrant and rice lightly toasted, 1–2 minutes. Stir in **broth** and bring to a boil.

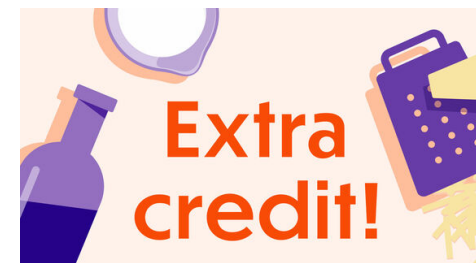

4. Cook risotto

Cover pot and bake on middle oven rack until **rice** is tender and **sauce** is thick and creamy, about 15–18 minutes. Remove from oven and stir **peas** into **risotto**. Cover and set aside off heat until peas warmed through, 2 minutes.

5. Finish & serve

Stir in **2 tablespoons butter** and **¾ of the Parmesan**. Season **risotto** to taste with **salt** and **pepper**. Serve with **remaining Parmesan** sprinkled over top, if desired. Enjoy!

6. Add a protein!

We made this a veggie-centric meal on purpose, but if you have carnivores at your table, then add a protein pack! Top your risotto with sautéed shrimp or grilled chicken breasts.
