1. Cook orzo

Preheat broiler with a rack in the top position.

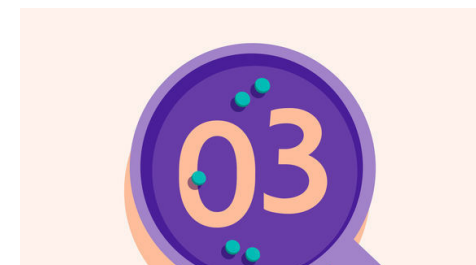

Bring a small saucepan of **salted water** to a boil over high. Add **orzo** and cook, stirring occasionally, until al dente, 5–7 minutes. Drain well, then return to saucepan off heat and cover to keep warm.

2. Prep & broil

Meanwhile, cut **tomatoes** into ½-inch thick rounds. Trim and discard ends from **zucchini**, then cut into ½-inch thick rounds.

On a rimmed baking sheet, toss veggies and **plant-based chicken** with **2 tablespoons oil** and a **generous pinch each of salt and pepper**. Broil on top oven rack until veggies are lightly charred and tender, 8–10 minutes (watch closely).

3. Prep vinaigrette

While **veggies** and **plant chicken** broil, thinly slice **mozzarella**. Finely grate **Parmesan**, if necessary.

Finely grate ¼ **teaspoon garlic** into a small bowl. Whisk in **2 tablespoons oil** and **2 tablespoons vinegar**; season to taste with **salt and pepper**.

4. Add Parm to veggies

Once **veggies** and **plant chicken** are cooked, sprinkle with **Parmesan**. Return to top oven rack and broil until cheese is golden-brown, 1–2 minutes (watch closely).

5. Finish & serve

Toss **orzo** with **pesto**, then season to taste with **salt and pepper**.

Serve **pesto orzo** topped with **mozzarella** and **roasted veggies** and **plant chicken** in alternating layers. Spoon **vinaigrette** over top. Enjoy!

6. Did you know?

Although reducing food waste is a top priority, sometimes in spite of best efforts, we end up with leftovers in our test kitchen and packing facilities. When that happens, we still make sure it doesn't go to waste. One way of ensuring all of our nutritious food ends up on a table is by donating to local charities like Table to Table and Grace Place.
