with Steamed Rice

30-40min

2 Servings

Whether you live that plant-based life or want to incorporate more veggie meals into your daily routine, we aim to make it easy. This Korean-style BBQ rice bowl is as satisfying as it is flavorful. The trick is roasting the cauliflower before coating it in a sweet and spicy gochujang sauce. We add baby spinach to the rice before serving for an extra hit of veggies and a sprinkle of sesame seeds on top for a nutty crunch.

### 1. Prep ingredients

Preheat oven to 450°F with a rimmed baking sheet on upper oven rack. Cut **cauliflower** into 1-inch florets. Trim **scallions**, then thinly slice. Finely grate ½ **teaspoon garlic** into a large bowl. Coarsely chop **spinach**.

### 4. Bake cauliflower

Carefully drizzle preheated baking sheet with **3 tablespoons oil**. Spread **battered cauliflower** into a single layer on prepared baking sheet. Bake on upper oven rack until cauliflower is tender, browned on the bottom, and crisp, 20-25 minutes. Rinse and dry bowl.

### 2. Cook rice

In a medium saucepan, combine **rice**, **1¼ cups water**, and **½ teaspoon salt**. Bring to a boil. Cover and cook over low until rice is tender and liquid is absorbed, about 17 minutes. Remove from heat, fluff with a fork and pile **spinach** on top of rice then cover to keep warm until ready to serve (residual heat will wilt spinach).

### 5. Cook sauce

In small skillet, combine **tamari**, **maple syrup**, **half of the sliced scallions**, **1½ tablespoons mirin**, **1 tablespoon each of sugar and water**, and **2 teaspoons gochujang** (or more depending on heat preference). Bring to a boil over high heat. Cook until slightly thickened and fragrant, 1-2 minutes. Taste, then season with **salt**, if necessary. Transfer **sauce** to a bowl.

### 3. Prep batter

To bowl with **garlic**, add **½ cup each of flour and water**; season with **salt** and **pepper**. Whisk into a smooth, thick paste, adding **2-3 teaspoons water** more, if necessary, until batter drops in thick ribbons from whisk (similar to pancake batter). Add **cauliflower** to bowl and toss to coat completely.

### 6. Finish & serve

Transfer **cauliflower** to bowl with **sauce**, tossing to coat. Stir **rice** with a fork, until **spinach** is wilted and mixed in, then spoon into bowls. Top **rice** with **cauliflower**, and garnish with **remaining sliced scallions** and **sesame seeds**. Enjoy!
