1. Whip ricotta

Preheat oven to 425°F with a medium (10-inch) ovenproof skillet (preferably cast-iron) on a rack in the upper third.

Grate **all of the lemon zest**. Separately, squeeze **all of the lemon juice** into a small bowl.

In a medium bowl, whisk **half of the ricotta** until smooth and fluffy. Whisk in **1¼ teaspoons sugar, 1 teaspoon lemon juice**, and **½ teaspoon lemon zest**. Set aside.

4. Mix batter & bake

Whisk **milk mixture** into **flour mixture** until just combined (do not over mix). Carefully remove preheated skillet from oven. Add **1 tablespoon butter** and tilt to coat bottom and sides of skillet. Pour in **pancake batter**; spread to edges of skillet with a spatula.

Bake on upper oven rack until a toothpick inserted into center comes out clean, 10–15 minutes.

2. Cook syrup

In a small saucepan, combine **⅓ cup sugar** and **½ cup water**. Bring to a boil over high heat, stirring occasionally. Stir in **raspberry powder** and cook, stirring occasionally, until slightly thickened, 2–3 minutes. Remove from heat; stir in **1 teaspoon lemon juice** and **a pinch of salt**. Set aside to cool until step 5.

5. Rest & serve

Remove skillet from oven and let **pancake** rest for 5 minutes. Invert pancake onto a plate, if desired, or serve in skillet.

Serve **lemon poppy pancake** with **whipped ricotta** and **raspberry syrup** over top. Enjoy!

3. Start batter

In a separate medium bowl, whisk together **flour, poppy seeds, 2 tablespoons sugar, 1 teaspoon baking powder, ¼ teaspoon baking soda**, and **¼ teaspoon salt** until combined.

In another medium bowl, whisk together **remaining ricotta and lemon zest, 2 tablespoons lemon juice, 1 large egg, ½ cup milk, 2 tablespoons melted butter**, and **½ teaspoon vanilla**.

6. Make fruit compote!

Top off the pancake with a quick and easy compote. Take whatever fruit you have on hand like blueberries, raspberries, strawberries, cherries, or peaches—cut any larger fruit into smaller pieces. Add them to a saucepan with some sugar and a pinch of salt and bring to a boil. Reduce heat to medium and stir occasionally, smashing some of the fruit, until it's thickened and reduced by about half.
