

Tofu Rice Noodle Bowl

with Peanut Sauce

30-40min

2 Servings

Rice noodles are a key ingredient in East and Southeast Asian cuisine. We use these noodles as the base in this vegan noodle bowl with protein-packed tofu and crisp veggies. Fresh mint, crunchy peanuts, and creamy peanut sauce tie it all together. We love to spice things up, but if you're not a fan of the heat, feel free to leave the Sriracha sauce on the side.

What we send

1. Prep ingredients

Bring a large pot of water to a boil. Peel **cucumber**, then cut in half lengthwise, scoop out seeds, and thinly slice on an angle. Halve **pepper**, remove stem and seeds, and thinly slice into strips. Finely chop **2 teaspoons garlic**. Finely grate **all of the lime zest**. Squeeze **all of the lime juice** into a large bowl; keep zest and juice separate.

4. Season noodles

Meanwhile, to bowl with **lime juice**, whisk in **2 tablespoons oil**, **2 teaspoons sugar**, and **½ teaspoon salt**. Add **noodles** and **sliced cucumbers and peppers**. Stir to combine and set aside until step 6.

2. Cook noodles

Add **rice noodles** to boiling water and cook, stirring occasionally to prevent sticking, until tender, 8-9 minutes. Drain, then rinse under cold water and toss with **1 teaspoon oil**.

Meanwhile, drain **tofu** and gently pat dry to remove excess water; cut into 1-inch cubes.

5. Season tofu

To a separate medium bowl add **peanut butter**, **garlic**, **lime zest**, **3 tablespoons water**, **½ teaspoon sugar**, and **¼ teaspoon each of salt and vinegar**. Once **tofu** is done cooking, pour **half of the peanut sauce** directly onto tofu, and carefully toss to coat.

3. Broil tofu

Preheat broiler to high with the top rack 6 inches from heat source. **Lightly oil** a rimmed baking sheet. Arrange **tofu** in a single layer on baking sheet, then drizzle lightly with **oil**; season with **salt** and **pepper**. Broil until browned in spots, 8-10 minutes. Flip and cook until crisp on both sides, 4-6 minutes more (watch closely as broilers vary).

6. Assemble & serve

Pick **mint leaves** from stems; discard stems and tear leaves into small pieces. Coarsely chop **peanuts**.

Place **seasoned noodles and veggies** in a bowl and top with **tofu**. Drizzle **Sriracha**, if desired, and **remaining peanut sauce** over top. Garnish with **orn mint leaves** and **peanuts**. Enjoy!
