### 1. Prep cream cheese, butter

Preheat oven to 350°F with a rack in the center. Line an 8-inch square baking dish with parchment paper.

Place **cream cheese** in a medium bowl; set aside to soften at room temperature until step 4.

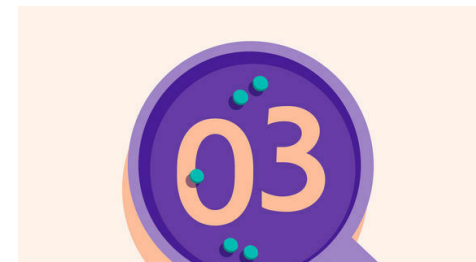

In a second medium microwave-safe bowl, microwave **1 stick (8 tablespoons) butter** until melted.

### 2. Prep & bake crust

To bowl with **melted butter**, add **1½ cups flour** (save rest), **½ cup sugar**, **1 teaspoon cinnamon**, and **½ teaspoon salt**; stir with a fork until dough resembles wet clumps of sand.

Reserve **¼ cup dough**; press remaining into an even layer in prepared baking dish. Bake on center rack until light brown around edges and **crust** looks set, about 20 minutes. Let cool at least 5 minutes.

### 3. Prep peaches

While **crust** bakes, halve **peaches**, discard pits, and cut into ½-inch pieces.

Melt **2 more tablespoons butter** in a medium skillet over medium-high. Add peaches and **⅓ cup sugar**; cook, stirring occasionally, until lightly caramelized and almost tender, 2–3 minutes. Let cool in skillet off heat.

### 4. Prep filling

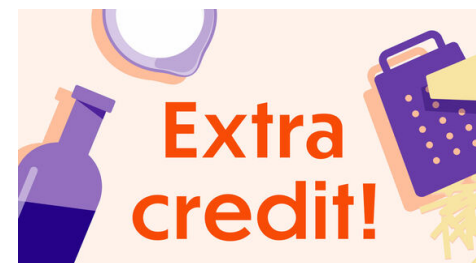

To bowl with **softened cream cheese**, add **2 large eggs** and **remaining sugar**; whisk, or beat using an electric mixer, until smooth and well combined, about 2 minutes.

### 5. Assemble, bake & serve

Scrape **cream cheese batter** over **crust**, spreading to edges. Spoon **caramelized peaches** over top; sprinkle with **reserved dough**. Bake **bars** on center oven rack until center is set but slightly jiggly and edges are golden, about 35 minutes. Let cool completely, then refrigerate for at least 2 hours.

Cut **peach cheesecake bars** into 16 squares and serve. Enjoy!

### 6. Fancy shmancy!
