1. Cook quinoa

In a small saucepan, combine quinoa, 11/2 cups water, and a pinch of salt. Bring to a boil, then reduce heat to low and cover. Cook until water is absorbed and guinoa is tender, 15-20 minutes. Remove from heat and keep covered until ready to serve.

2. Prep & marinate cucumbers

Meanwhile, trim ends from cucumber, then thinly slice crosswise. In a medium bowl, whisk 2 tablespoons vinegar, 1 tablespoon oil, and ½ teaspoon salt. Add cucumbers and toss to coat. Set aside until ready to serve.

3. Prep chickpeas

Preheat broiler with a rack in the top position. Drain liquid from chickpeas and dry on a paper towel. Toss on a rimmed baking sheet with 1 tablespoon oil, and season with salt and pepper.

4. Broil chickpeas

Broil chickpeas on top oven rack until golden and crispy, shaking baking sheet halfway through, 6-8 minutes (watch closely as broilers vary).

5. Make dressing

In a small bowl, whisk to combine tahini, 2 tablespoons each of water and oil, 1 tablespoon vinegar, 2 teaspoons maple syrup, 1/4 teaspoon cumin, and 1/8 teaspoon turmeric. Season to taste with salt and pepper (save remaining cumin, turmeric, and maple syrup for own use).

Thinly slice **tomatoes** and season lightly with salt. Pick mint leaves from stems. Fluff quinoa and divide between bowls.

Top with cucumbers, tomatoes, and crispy chickpeas. Drizzle dressing over top and sprinkle with **mint**. Enjoy!
