with Marinated Tomatoes & Feta

20-30min

2 Servings

One of our favorite ways to Dinnerly is making a whole lot of tasty things, making them tastier with fresh herbs and creamy cheese, then tossing them together bowl-style. This is clean-eating in terms of the mighty grain quinoa balanced with plenty of protein and veggies. But, it's up to you to walk away from the table without a dribble of vinaigrette running down your shirt... We've got you covered!

#### 1. Cook quinoa

Finely chop **1 teaspoon garlic**.

Heat **1 tablespoon oil** in a small saucepan over medium. Add **half of the chopped garlic** and cook, stirring until fragrant, about 1 minute. Add **quinoa, ¾ cup water**, and **¼ teaspoon salt**; bring to a boil over high heat. Cover and cook over low heat until quinoa is tender and water is absorbed, about 15 minutes.

#### 4. Broil veggies

Toss **chickpeas** and **asparagus** on a rimmed baking sheet with **1 tablespoon oil**; season with **salt** and **pepper**.

Broil on top oven rack until asparagus are crisp-tender and chickpeas are warm, about 4 minutes. Toss with **remaining chopped garlic**, then broil until garlic is fragrant, 1–2 minutes (watch closely as broilers vary). Toss with **half of the chopped dill**.

#### 2. Prep ingredients

Meanwhile, preheat broiler with a rack in the top position.

Trim and discard woody ends from **asparagus** (about 2 inches), then cut into thirds. Core **tomato** and halve lengthwise, then thinly slice into half-moons. Rinse and drain **chickpeas**. Pick **dill fronds** from stems and finely chop, discarding stems. Crumble **feta**.

#### 5. Finish quinoa & serve

Fluff **quinoa** with a fork, then stir in **half of the feta**.

Serve **quinoa** topped with **asparagus, chickpeas**, and **marinated tomatoes**. Drizzle with **vinaigrette** and sprinkle with **remaining feta and dill**. Enjoy!

#### 3. Marinate tomatoes

In a medium bowl, stir to combine **3 tablespoons oil**, **1 tablespoon vinegar**, and **1 teaspoon water**. Add **tomatoes** to **vinaigrette** and toss to coat; season to taste with **salt** and **pepper**.

#### 6. Make it meaty!

We love our veggies, but we understand if you want to amp up the protein count in this one. Sear up some chicken or shrimp seasoned with a medley of dried herbs like oregano, parsley, and basil to keep with the theme.
