1. Prep ingredients

Halve **onion** and thinly slice. Peel **sweet potato** and cut into ½-inch pieces. Finely chop **2 teaspoons garlic**. Peel **ginger** and finely chop 1 teaspoon. Thinly slice remaining ginger into matchsticks.

2. Fry ginger

In a small microwave-safe bowl, combine **ginger matchsticks** with just enough **oil** to cover them, about 4 tablespoons. Microwave until ginger is crisp and just starting to brown, 2-4 minutes (watch closely). Transfer ginger to paper towel to drain excess oil. Reserve remaining oil.

3. Saute aromatics

In a medium pot, heat **1 tablespoon reserved ginger oil** over medium-high. Add **onion** and **a pinch each of salt and pepper**. Cook, stirring occasionally, until tender and translucent, 5-7 minutes. Add **ginger, garlic**, and **½ teaspoon cumin** (or more to taste). Cook, stirring, until fragrant, about 1 minute.

4. Cook potatoes

To pot with **onions**, add **3½ cups water** and **pumpkin purée**; bring to a simmer. Add **sweet potatoes** and cover. Reduce heat to low and cook, stirring occasionally, until potatoes are tender, about 15 minutes.

Stir in **all of the tamari** and **3 tablespoons nutritional yeast**.

5. Broil kale

Meanwhile, preheat broiler with a rack in the upper third. Remove and discard stems from **kale leaves**. Tear leaves into 1-inch pieces. Transfer kale to a rimmed baking sheet; use your hands to massage with **1 tablespoon oil**. Season with **salt** and **pepper**. Spread kale into an even layer and broil until tender and crisp in spots, about 5 minutes (watch closely as broilers vary).

6. Blend & serve

Puree **soup** with an immersion blender until smooth. Keep pot warm over low heat. Stir in **½ teaspoon vinegar** and season to taste with **salt** and **pepper**. Remove **cilantro leaves** from stems and set aside. Spoon **soup** into bowls and garnish with **sesame seeds, fried ginger**, and **cilantro leaves**. Serve with some **kale** on top and the remaining on the side. Enjoy!
