## **Middle Eastern Impossible Ground** Pizza

with Tomato-Cucumber Salad

Baharat is a Middle Eastern spice blend typically made of black pepper, cardamom, cumin, coriander, paprika, cinnamon, cloves and nutmeg-it's a delicious way to amp up all sorts of protein. In this case, we've put it to work with Impossible ground spread on pizza dough, which mimics a flatbread. The tangy, minty salad piled on top and a drizzle of sour cream are the perfect accompaniments.

## 1. Prep ingredients

Preheat oven to 500°F with a rack in the lowest position. Set aside **dough** to come to room temperature.

Halve **onion** and thinly slice. Trim ends from **cucumber** and cut into ½-inch rounds. Cut **tomatoes** in half lengthwise.

## 2. Brown Impossible ground

Heat **1 tablespoon oil** in a medium skillet over medium-high. Add **Impossible patties** and cook until no longer pink, breaking up into bite-size pieces, 4-5 minutes. Discard fat from skillet.

Stir in baharat spice, salt, and a few grinds of pepper. Add <sup>2</sup>/<sub>3</sub> of the onions and cook until barely softened, about 2 minutes. Add half of the tomatoes and 1/4 cup water.

## 3. Prep dough

Lightly oil a rimmed baking sheet.

On a lightly **floured** work surface, roll **dough** into a 9x12-inch rectangle. If dough springs back, let rest for 5-10 minutes, then try again. Transfer to prepared baking sheet.

## 4. Build pizza & bake

Spoon **Impossible ground mixture** over **dough**, leaving a ½-inch border.

Bake on lowest oven rack until dough is puffed and browned, 14-16 minutes.

5. Make salad

Meanwhile, pick **mint leaves** from stems; tear any large leaves.

In a medium bowl, whisk together 1 tablespoon each of vinegar and oil and a pinch each of salt and pepper. Add cucumbers, mint, and remaining tomatoes and onions. Stir to combine.

6. Mix sour cream & serve

In a small bowl, mix **sour cream** with **1 tablespoon water** at a time until it drizzles from a spoon. Transfer **pizza** to a cutting board and drizzle with sour cream.

Serve **Impossible ground pizza** with **salad** over top or alongside. Cut into wedges. Enjoy!
