### 1. Start pasta

Preheat broiler with a rack in the upper third.

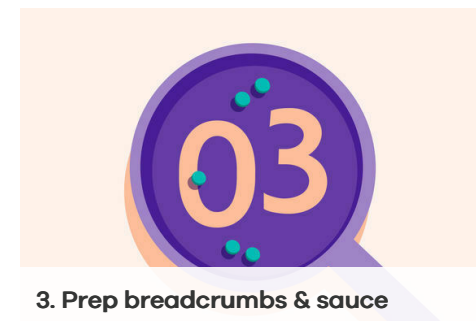

Bring a large pot of **salted water** to a boil. Add **pasta** and cook, stirring occasionally, until almost al dente, about 5 minutes. Reserve ½ **cup cooking water**, then drain; set aside until step 3.

### 2. Fry sage & brown butter

Pick **sage leaves** from stems (tear in half if large); discard stems. In a medium nonstick skillet over medium-low heat, melt **2 tablespoons butter**. Add sage; cook, stirring and flipping occasionally, until edges curl and butter is a dark amber color, 5–6 minutes (careful, may burn easily); transfer to a paper towel-lined plate. Reserve skillet.

Pour **browned butter** into a medium bowl.

### 3. Prep breadcrumbs & sauce

Finely grate **Parmesan**, if necessary.

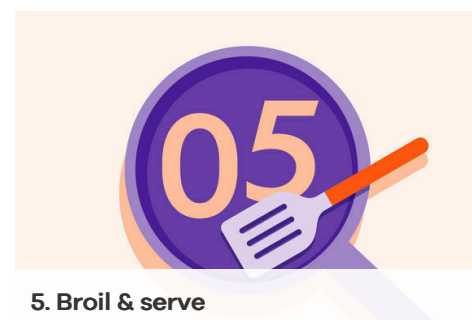

To bowl with **browned butter**, stir in **panko**, **Parmesan**, and **half of the granulated garlic** until combined; set aside for step 5.

In a second medium bowl, whisk to combine **reserved cooking water**, **remaining granulated garlic**, ½ **cup pumpkin purée**, ¾ **cup milk**, and ½ **teaspoon sugar** until smooth.

### 4. Cook cheese sauce

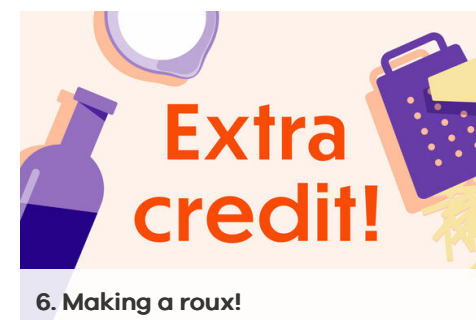

Wipe out reserved skillet and return to stovetop; melt **2 tablespoons butter** over medium heat. Stir in **1 tablespoon flour** until fragrant, about 1 minute. Gradually whisk in **pumpkin-milk mixture** until combined. Remove from heat; stir in **all of the fontina** until melted and smooth. Season to taste with **salt** and **pepper**. Stir in **pasta** until evenly coated in **cheese sauce**.

### 5. Broil & serve

Transfer **pumpkin mac** to a medium baking dish; sprinkle with **Parmesan breadcrumbs**. Broil on upper oven rack until breadcrumbs are toasted and Parmesan is melted, 3–4 minutes (watch closely as broilers vary).

Serve **creamy pumpkin mac and cheese** with **fried sage leaves** and **a few grinds of pepper** sprinkled over top. Enjoy!

### 6. Making a roux!

The thickening component of sauce is roux, a mixture of liquid fat—like melted butter or oil—and flour. Start by whisking flour into the hot skillet in step 4 until a golden paste forms. Then slowly whisk in milk mixture and stir constantly to avoid lumps.
