2. Make streusel

In a medium bowl, combine remaining brown sugar, ½ cup self-rising flour, 4 tablespoons melted butter, and ½ teaspoon cinnamon. Stir until mixture resembles wet sand (clumps are OK!).

3. Bake coffee cake

Spread **cake batter** into prepared baking dish in an even layer; sprinkle **streusel** evenly over top.

Bake **coffee cake** on center oven rack until a toothpick inserted into the center comes out almost clean, 30–35 minutes.

4. Make glaze

Use a mallet or rolling pin to crush **blueberries** to a coarse powder.

In a small bowl, combine **confectioners'** sugar, half of the blueberries, 1 tablespoon water, and a pinch of salt; whisk until smooth. Add an additional ½ teaspoon water, if needed, until glaze drops from whisk in thick ribbons.
