### 1. Make crepe batter

In a microwave-safe bowl, microwave **3 tablespoons butter** until melted.

In a blender, combine **flour, milk, melted butter, ½ cup water, 2 large eggs, 2 Tbsp granulated sugar**, and **½ tsp salt**; blend until smooth, about 30 seconds (batter should be a very thin pancake batter). Alternatively, whisk to combine ingredients in a medium bowl. Let batter rest at room temperature until step 5.

### 4. Cook pears

In same medium skillet, add **2 tablespoons butter, ½ cup water, ½ teaspoon vanilla, ¼ teaspoon cinnamon, pears, lemon zest**, and a **pinch of salt**. Bring to a simmer and then reduce heat to low. Cover and cook until pears are tender, 10-12 minutes. Uncover, and allow liquid to reduce, another 3 minutes more. Keep on low until crepes are finished.

### 2. Prep ingredients

Peel **pears** and core. Cut into ½-inch thick slices. Zest **½ teaspoon lemon**.

In a microwave safe bowl combine **chocolate** and **3 tablespoons water**. Microwave until chocolate is melted and then whisk until smooth. Set aside until step 6.

### 5. Make crepes

Heat another medium skillet over medium and lightly coat with **butter**. Pour in **¼ cup batter** and tilt to evenly coat bottom of skillet. Cook until edges lift easily and golden on bottom, about 1 minute. Lift edge of **crepe** with a spatula, then gently flip with fingertips. Cook until just set, 30-35 seconds. Slide crepe onto a plate. Repeat with remaining batter, adding butter as needed.

### 3. Toast nuts

Heat **1 teaspoon oil** in medium skillet over medium. Add **nuts** and cook, stirring occasionally, until toasted and fragrant, 3-5 minutes (watch closely as nuts will burn easily). Let cool slightly and then coarsely chop.

### 6. Make sauce & serve

Serve **crepes** topped with **spiced pears**. Drizzle **chocolate sauce** over the top and sprinkle **toasted nuts** over the sauce. Garnish with a **sprinkling of powdered sugar**. Enjoy!
