1. Mix granola

Preheat oven to 325°F with a rack in the upper third. Line a rimmed baking sheet with parchment paper; grease with nonstick cooking spray. Coarsely chop **almonds**.

In a large bowl, whisk together **maple, brown sugar, ½ cup oil, 2 teaspoons vanilla**, and **¾ teaspoon salt** until smooth. Add **oats, almonds, coconut**, and **all of the sesame seeds**; fold with a spatula until evenly coated.

2. Bake granola

Transfer **oat mixture** to prepared baking sheet and spread into a thin, even layer (about ½-inch thick). Using stiff metal spatula, press oat mixture until very compact.

Bake on upper oven rack until lightly browned, rotating pan halfway through, 40–45 minutes. Let cool to room temperature, about 1 hour.

3. Finish & serve

Once **granola** is fully cooled, break into pieces of desired size. Stir in **dried cranberries** before serving. Enjoy!
