1. Prep ingredients

Halve **pepper**, discard stem and seeds, then thinly slice crosswise into strips.

Finely chop **1 teaspoon garlic**. Cut **tomato** into ¼-inch pieces.

Pick **cilantro leaves** from **stems**; keep leaves whole and finely chop stems.

4. Make sauce

Reduce skillet heat to medium; add **½ cup of the enchilada sauce**. Bring to a simmer, scraping up any browned bits from the bottom. Remove from heat.

2. Make toppings

In a small bowl, stir together **tomatoes**, **cilantro stems**, **2 teaspoons vinegar**, **1 teaspoon oil**, and season to taste with **salt** and **pepper**.

In a 2nd small bowl, stir together **sour cream** with **1 tablespoon water**; season to taste with **salt** and **pepper**. Set both bowls aside until step 6.

In a measuring cup, combine **all of the enchilada sauce** with **¾ cup water**.

5. Assemble enchiladas

Preheat broiler with a rack in the upper third. Divide **Impossible ground filling** evenly among **tortillas**; roll up and place in skillet, seam side down. Pour **remaining enchilada sauce** over tortillas, then sprinkle with **cheddar-jack blend**. Broil on top oven rack until cheese is melted and sauce is bubbling, 2-5 minutes (watch closely as broilers vary).

3. Cook filling

Heat **1 tablespoon oil** in a medium ovenproof skillet over medium-high. Add **peppers** and **Impossible patties**. Cook, stirring, until peppers are softened and Impossible ground is browned, 7-8 minutes.

Add **garlic** and **half of the chorizo chili spice** (depending on heat preference); cook until fragrant, 30 seconds. Season to taste with **salt** and **pepper**. Transfer to a bowl.

6. Garnish & serve

Remove **enchiladas** from oven. Drizzle with **sour cream** and garnish with **whole cilantro leaves** and **tomato salsa**. Enjoy!
