## Eggplant "Caviar" Dip

with Crostini

40-50min

2 Servings

Smoky, sweet, and tangy, ikra is a traditional Russian dip once known as “poor man’s caviar.” But this velvety vegan spread has no equal. Whole eggplant roasts until falling-apart tender while onions and carrots cook down with garlic, tomato, and smoked paprika into a rich paste. Roasted red peppers and fresh dill add more bright flavors before a slice of toasted baguette scoops it up. (2-p plan serves 4; 4-p plan serves 8)

### 1. Roast eggplant

Preheat oven to 425°F with a rack in the center. Line a rimmed baking sheet with foil.

Prick **eggplant** all over with fork. Rub all over with **oil** and transfer to prepared baking sheet. Roast, turning once or twice, until deflated and very soft, about 30 minutes. Carefully wrap foil from baking sheet loosely over eggplant and pinch to close. Let rest at room temperature for 10 minutes.

### 2. Cook mirepoix

Heat **2 tablespoons oil** in a medium skillet over medium. Add **mirepoix** and a **pinch of salt**; cook, stirring occasionally, until tender and browned, 3-5 minutes (reduce heat if browning too quickly).

### 3. Prep ingredients

Finley chop **2 teaspoons garlic**. Finely chop **roasted red peppers**. Finely chop **1 teaspoon dill**; keep remaining dill whole.

### 4. Start caviar

To skillet with **mirepoix**, add **chopped garlic**, **2 tablespoons tomato paste**, and **½ tablespoon smoked paprika**. Reduce heat to medium and cook, stirring, until fragrant and the tomato paste is deep red and shiny, 3-4 minutes. Stir in **½ cup water**, **1 teaspoon vinegar**, and **½ teaspoon sugar**. Simmer, stirring, until thickened, 1-2 minutes. Transfer mixture to a medium bowl.

### 5. Finish caviar

When **eggplant** has rested, carefully remove from foil and transfer to a cutting board; reserve baking sheet for step 6.

Peel and discard eggplant skins, then roughly chop pulp. Add to bowl with **mirepoix**. Stir in **roasted red peppers** and **chopped dill**. Season to taste with **salt** and **pepper**.

### 6. Toast crostini & serve

Slice **bread** on a diagonal into ½-inch thick slices. Transfer to reserved baking sheet and drizzle both sides with **oil**. Bake on center oven rack, flipping once, until golden brown and crisp, 8-10 minutes.

Serve **eggplant caviar** with **crostini** alongside and **some of the remaining dill leaves** sprinkled over top. Enjoy!
