1. Prep ingredients

Preheat oven to 350°F with a rack in the center. Grease a loaf pan with nonstick cooking spray, then line with parchment paper.

Using a vegetable peeler, peel a 1-inch thick strip of **lemon peel** and set aside for step 5.

Zest **remaining lemon** into a large bowl. Juice **all of the lemon** into a liquid measuring cup. Transfer 1 teaspoon juice to a small bowl; set aside until step 4.

4. Make glaze

Microwave **2 tablespoons butter** in a medium bowl until melted. Add **confectioners' sugar**, **reserved lemon juice**, **¼ teaspoon raspberry powder**, and **1 teaspoon water**. Thin with **½ teaspoon water** at a time until **glaze** drops from whisk in thick ribbons. Set aside to thicken slightly, about 5 minutes.

Spread **all but 1 tablespoon glaze** over **cake** in an even layer.

2. Make batter

To measuring cup with **lemon juice**, add **water** to the 1 cup line.

To bowl with **lemon zest**, add **all of the cake mix**, **juice mixture**, **2 large eggs**, and **1 teaspoon vanilla**. Using an electric mixer, beat until smooth, thickened, and slightly shiny, about 2 minutes. Transfer to prepared loaf pan.

5. Finish & serve

To **remaining glaze**, add **¼ teaspoon raspberry powder** and **1 teaspoon water**. Drizzle over **cake**. Very thinly slice **reserved lemon peel** into strips.

Sprinkle **snacking cake** with **some of the remaining raspberry powder** and **lemon peel**. Let **glaze** set before serving. Enjoy!

3. Bake cake

Bake on center oven rack until lightly golden and a toothpick inserted into center comes out clean, 40–45 minutes. Let cool completely.
