1. Cook quinoa

In a small saucepan, combine **quinoa**, **¾ cup water**, and **½ teaspoon salt**. Bring to a boil over high. Cover, reduce heat to medium-low, and cook until grains are tender and water is absorbed, 15-20 minutes. Keep covered until ready to serve.

4. Add liquids

To pot with **carrots**, add **all of the broth concentrate**, **3 cups water**, **2 teaspoons salt**, and **1 teaspoon of the orange zest**. Cover, and bring to a boil over high. Reduce heat to medium low and simmer, partially covered, until carrots are soft and flavors meld, about 10 minutes.

2. Prep ingredients

Halve and thinly slice **onion**. Scrub **carrots**, then cut into 1-inch pieces. Thinly slice **3 large garlic cloves**. Finely grate **1½ teaspoons orange zest** and squeeze **¼ cup orange juice**, keeping them separate. Cut **4 tablespoons butter** into ½-inch pieces; keep butter cold until step 5.

5. Purée soup

In a small microwave-safe bowl, stir to combine **remaining orange zest**, **3 tablespoons oil**, and **1½ teaspoons harissa**. Microwave until fragrant, 30-60 seconds. Remove **soup** from heat; blend with an immersion blender until smooth. While blender is running, add **cold butter**, 1 piece at a time, until soup is smooth. (Alternatively, blend soup in a conventional blender or food processor).

3. Start soup

Heat **3 tablespoons oil** in a medium pot over medium. Add **onions**, **sliced garlic**, and **a pinch of salt**. Cook, stirring occasionally, until softened but not browned, 4-5 minutes. Add **carrots**, **ras el hanout**, and **a pinch of salt**. Cook, stirring occasionally, until carrots begin to soften, about 5 minutes.

6. Finish & serve

Return **soup** to medium heat; cook, stirring, until warmed through. Stir in **orange juice**. Season to taste with **salt**. Pick and thinly slice or tear **mint leaves**; discard stems. Crumble **feta**. Ladle **soup** into bowls and top with **quinoa**, **mint leaves**, and **feta**; drizzle with **harissa oil**. Enjoy!
